Article I - Name

The name of the association shall be the **Parents' Association of Stuyvesant High School** (the "PA"). The PA is recognized by the New York City Department of Education as the official parents' organization of Stuyvesant High School

Article II – Purpose and Policies

Section II.1. Purpose

The purpose of the PA will be:

II.1.1 To foster programs that enable parents to become partners with the school in the education of their children.

II.1.2 To provide opportunities and training for parents to participate in school governance and educational decision-making, and encourage parent participation at all levels.

II.1.3 To promote and develop a cooperative working relationship between parents and staff.

II.1.4 To promote an effective educational environment for students and to provide support and resources to the school for the benefit and growth of all children.

II.1.5 To provide an opportunity for parent education and development.

Section II.2. Policies

All activities of the PA are non-sectarian and non-partisan in nature. The name of the PA or its officers in their official capacities, will only be used in a manner consistent with the guidelines and regulations established by the New York City Department of Education for officially sanctioned parents' organizations. Officers of the PA may not engage in activities which may jeopardize its tax status. The PA is qualified under *Section 501(c) (3)* of the Internal Revenue Code as a not-for-profit organization.

Article III - Membership

Section III.1. Eligibility

III.1.1 All parents of students in regular attendance at Stuyvesant High School are Members of the PA.

III.1.2 A "parent" is a parent (by birth or adoption, step-parent or foster parent), legally appointed guardian, or person in a parental relation to a child or children currently attending a school, including a child who is attending a non-citywide school full time while on the register of Citywide Programs (known as District 75).

A person in parental relation refers to a person who has assumed the care of a child because the child's parents or guardians are not available, whether due to, among other things, death, imprisonment, mental illness, abandonment of a child, or living outside of the state. A person may only qualify as a person in parental relation if no other eligible person applies as parent or guardian. Any determinations about who constitutes a person in "parental relation" must be based on the individual circumstances surrounding guardianship and custodial care of the particular child. This shall include consultation between the PA Executive Board and the principal. A person who may provide temporary care (i.e., babysitting) for a child or children does not qualify as a person in parental relation under this definition. The denial of membership under this definition may be the subject of a grievance to the Department of Education under Department of Education Regulation A-660.

III.1.3 A *designated person* acting in *loco parentis* in place of a parent must submit a letter to the Principal signed by the parent. Such designated person may then join the PA in place of the parent.

III.1.4 All disputes as to designated persons will be referred to the school administration.

Section III.2. Voting Privileges

III.2.1 Each parent of a child currently attending Stuyvesant High School will be entitled to vote separately on all matters submitted for vote to the General Membership.

III.2.2 Members must be present to vote. Voting by proxy is not allowed.

III.2.3 Designated persons may vote only in place of a parent.

Section III.3. Payment of Dues

III.3.1 The payment of dues is not a prerequisite for membership in the PA. Dues are not a requirement for voting or running for elected positions.

III.3.2 For budgetary purposes the Executive Board, subject to the approval of the General Membership, may establish a suggested annual dues donation amount.

III.3.3 Dues for the school year (defined as September through June) may be payable on a date established by the Executive Board.

Section III.4. Restrictions

III.4.1 Members of the PA who are employed in the school (other than individuals who are paid by a non-Department of Education funding source for a program that is not a part of the regular school day) may not serve on the nominating committee, as officers, as executive board members of the PA. PA members who are employed in the school may not vote or otherwise participate as parent representatives in personnel matters, including tenure recommendations and screening committees for selection of supervisors and administrators, nor may they participate in the selection of parent representatives to school committees.

III.4.2 PA members and officers should be careful to avoid acting in circumstances in which their personal interests conflict with their interests as PA members or officers.
